A message from the Heart
By: Pastor Paul R. Mullet

The very essence of true Christianity and the Spirit of Jesus the Christ, called Yahshua, is to have a complete and full understanding that we as a Nation, Race, and People are indeed shaped and created by God, and that He created or crafted us with a unique combination of physical, and “Mentality of Separation”, or spiritual, characteristics that have set us apart from other nations and races not only here in America, but in Europe and other countries as well. You see, this world is so arranged that there is obvious competition and rivalry between the different nations and races. The land of the world is limited (even if the Talmudic venomous viper jews want and sometimes do make you think that it is not), the natural wealth and resources of this planet are also limited, and the number of people that the land and these resources can support is severely constrained by this reality, a fact that once again the venomous viper jews refuse to tell you in their “love your neighbor” speech from the jewdeo-Christian pulpits. But, rather than encouraging God’s ordained competition between the races for limited land and resources, some elites want to treat all of humanity like cattle, or in their word, “goyim”, under their control, and cull the herd to their liking. Many don’t know that “population control” is a tool used by our enemies to gain control of the population. The environmentalist wackos love it, as it’s much like the United Nations-sponsored “Agenda 21” radical totalitarianism written about by half-right kosher conservative Glenn Beck in his books on the subject. Still, many patriots are unaware of this diabolical agenda. But yet, it’s a fact that is in plain sight if you will just look for it, right here in America, for you to visit right in the open.
They’ve set their agenda in stone. Theirs is an alarmist creed, used as an excuse for totalitarian, anti-Christ control, written on a monument. It is called the “Georgia Guidestones” located in Elbert County, Georgia and was erected in 1980. It’s a message consisting of a set of ten guidelines or principles engraved on the Georgia Guidestones in eight different languages, one language on each face of the four large upright stones. Moving clockwise around the structure from due north, these languages are: English, Spanish, Swahili, Sanskrit, Hebrew, Arabic, Chinese, and Russian.

1) Maintain humanity under 500,000,000 in perpetual balance with nature.
2) Guide reproduction wisely — improving fitness and diversity.
3) Unite humanity with a living new language.
4) Rule passion — faith — tradition — and all things with tempered reason.
5) Protect people and nations with fair laws and just courts.
6) Let all nations rule internally resolving external disputes in a world court.
7) Avoid petty laws and useless officials.
8) Balance personal rights with social duties.
9) Prize truth — beauty — love — seeking harmony with the infinite.
10) Be not a cancer on the earth — Leave room for nature — Leave room for nature.

On their surface, some of those ten guidelines might not sound so horrible. We, too, love nature. We, more than they, even, prize truth and beauty and love. But the Orwellian, one world government dictatorship envisioned and implied in these guidestones should be an abomination to all God-fearing Christians. Imagine, a New World Order limiting the human population and enforcing diversity in it, limiting personal rights, and exercising complete control over our lives, for their own social engineering experiments, forever. In the pro-White novel “Patriot Act” by Doug Hanks, an author who sometimes appears as a guest on Euro Folk Radio programs, the destruction of those demonic-inspired Georgia Guidestones kicked off the beginning of new American revolution, one where the good guys win. And he knows, just as I know and you know, that freedom is a gift given to us by our God. That, my brothers and sisters in Jesus the Christ, is the very reason why since the earliest of times, communities have been set up, and formed their own infrastructure, and worked within their own system. They used their own Nation, Race, and People to grow their own food, gather their own food, hunt their own food, and build their own buildings in their own styles. They developed different cultures based on what their own people needed and wanted and what was natural to them. That’s especially true for our people, who have always been the most creative and inventive, as well as the most independent and freedom-loving. They realized the importance of their Nation, their Race, and the special relationship with God that they had, and its importance. We the White Adamic-Kind realized that we were God’s people, His chosen people, the shepherds of the Earth, the tenders of the flocks, the watchmen of the Body Politic. We were the ones that are the builders of cities, the creators of vast
civilizations, who would one day be rulers of the world, and those that are non-
Adamic-Kind.

Only a nation and race with the right combination of skills, abilities and the true
Spirit of God have the ability to make a success of life, and we will flourish if we
maintain our faith and love of and with God, and those nations and races who are
unskilled, ungifted, uneducated, and not blessed by Him, will in time fail. From the
peak of their raging to the ash-heap of History, they will rise and fall, only to perish
and disappear from the Earth if left to do so, as they should be. But, we find the jews
behind the curtains pulling at the hearts of the “white Christians”, asking for handouts
to save the souls of their fellow man....... Well, I hate to break it to you my friends but
they are not my fellow man and they sure as God as my witness are NOT YOUR
FELLOW MAN!

Tragically, for the last 60+ years we have been in the death grip of the fanatical
internationalist liberals, (let us call them what they really are: the venomous blood
sucking viper Talmudic life sucking Satan worshiping jews) who want to save the world
by making the White race pay...when they are in fact the most racist creatures on the
face of the Earth, and are creating a prison for themselves, sealing their own doom as
prophesied in *Revelations 2:9 and 3:9*, having no regard for anything or anyone that
is not a Satan worshiping snake, their father, the whispering serpent of the garden,
the fallen one, Lucifer. They refuse to acknowledge what they know, that a
competition for the essentials of life between different groups of nations and races
and cultures will never be eliminated, nor should it ever be, as God ordained at the
confusion he wrought at the Tower of Babel, and earlier, when He decreed that he
established the divisions and boundaries of the Earth. All too many over-
compassionate White liberals fall for the Unitarian rubbish. They cling to the belief
that certain secular bodies, such as the United Nations, can find “permanent”
solutions to the problems of food production, land ownership, and access to vital
resources which will satisfy everybody, instead of realizing and accepting the fact that
a struggle for these and other necessities will only intensify as the world population
increases and these racial groups will be forced to give priority to the needs of their
own people, regardless of the effect it may have on others. If there's only enough
food and resources available for twenty people, you cannot divide it up to feed
twenty thousand. Science and math are racist, that way.

Since the mind 1900’s, the world population has doubled and is still growing at a
net growth of approximately one hundred million, each year. Such astronomical
growth is truly unsustainable. It is obviously a hidden agenda that the jews have to
limit the conflicts as much as possible (just as they limit entrance to a stolen land they
claim is theirs), but this can only be achieved if these facts and the realities of the
situations are hidden and forced to be fully accepted by the White race through
Jewish media propaganda. To behave otherwise, or have the truth exposed, would
create chaos and unrest on an unprecedented scale, such as this world has never
imagined. (But folks, is that not exactly what is happening today?) Our people, our racial kindred, are force-fed or given unrealistic expectations and will have exposed themselves collectively too dangerous and most certainly unnecessary exploitation if we continue to delude or place blinders upon ourselves, blinded into believing that these essential “international (Talmudic shamanistic viper jewish run) bodies” can and will eliminate conflict and truly solve all of this world’s problems. It is up to US as a nation and race of White Adamic-kind men and women to educate each other to the DIVINE TRUTHS hidden by these Talmudic fork tonged vipers and their legions of Satanic followers (the modern preachers, pastors, and laymen) who are only focused on allowing us to sit by while we die a slow death generated by our own uneducated ignorance, and they profit by muddying their churches with every hue and creed they drag in and wave an offering plate in front of.

Failure to educate ourselves and most importantly educate our children, means the death of our nation and race. Failure to educate ourselves in the Holy Scriptures is the cause of our problems. We are running out of time...... The end of the White nation and race would be but a meager 14-20 years from now 2016, without God’s divine intervention, through us, His chosen, acting as His instruments. Without His grace and deliverance, guaranteed by His covenant with us, the death of GOD’S RACE IS AT HAND! Absent his mercy, THE BIRTH OF THE PLANET OF THE APES IS NEAR! If we don’t turn to God and stand like men, knowing that He is our Covenant lord and His son Jesus is our kinsman redeemer, the time may be too late to do something, but I ask each and every one of you, to do something to help secure what is true and righteous by God, for HIS NATION and RACE. Be in prayer, educate and arm yourself with scripture, and not just take each day and waste it away by watching T.V. or in some other selfish desire or wants that you have such as parties with friends, or anything that isn’t remotely important or related to the movement and cause of White Racialist Pride and Power. God will help us, but He expects us to help ourselves, too.

A movement without any form of actual physical movement is nothing more than a stagnant body, like a small body of water that lays dormant and fills with waste and collects parasites and becomes deadly if you drink from it without making it clean once again. You must first purify the water to make it drinkable. You too must purify your mind with the word of God and make yourself clean. I challenge everyone to take a few hours a day to read your Bibles and learn the word within those wonderful pages, and learn the history of YOUR HERITAGE AND YOUR PEOPLE and NATION. Truly dedicate those few hours each day to learning the Holy Bible and its message to YOU, God’s chosen people, His nation and race, and then you will have a better understanding of who you are and what role you play in this body politic. Take the time and effort to educate yourself and your family (if you have one) and others in the Spirit of Jesus the Christ, Yahshua. Attend a summit or conference this summer or in the future that is based on the Holy Bible and its teachings. Join a Christian Identity
Church like Divine Truth Ministries that is centered in teaching the TRUE MESSAGE OF JESUS THE CHRIST and what it means to be a TRUE CHRISTIAN! Put together a local food drive for a local White family that is in need. They do not need to know that the food has come from a racial aware group of people, but it will lay the foundation that is needed for you to have a future conversation with that family, and bring them into awareness of our struggle and their true racial identity.

If you truly love your Nation, Race, and Ethnos, and genuinely want to be a part of something great and better than yourself, you will have no issue with dedicating just a few hours a day. What else do you have to lose? You probable spend twice as much time watching T.V. and drinking beer (if you drink). Or why not make a financial contribution to a religious organization that is doing something for God, and our nation and race? Or is the purchase of beer, cigarettes, DVD’s, or some other “luxury” more important than seeing the future of our, of your Nation and Race, saved? Do you want to be a part of something or do you want to sit on the sidelines and say “well I don’t really need to do anything now”? Eventually you will not be able to say that, and when that time comes, it will be too late for YOU!

The time is NOW! Rise up and be a real part of something, be part of this great and powerful faith-based movement, or live life knowing that you sat by and did NOTHING to advance the existence of your people other than make “claims” that you “believed” in something, and you “claimed” to be a part of something.

So what is it going to be? I’ve made my choice! That is why I have said what I have today, that is why I have taken that time out of my day to speak these words to you and upon your heart. That is why I spend my time daily writing sermons, reading my Holy Bible, answering many letters, answering many phone calls. I have answered that CALL; I have placed myself upon the watch tower of the gates to the city! This is not a game, there is no reset button, there is no mulligan. It is very real and the choice is very real. It is one that must be made now, one that must be made without reservations, one that must be made without fear, one that must be made knowing that the enemy will persecute and slander you without reservations, for they have no mercy. But you must know and accept that God is on YOUR SIDE, he will protect you from all harm, if you are a true soldier and member of HIS FAMILY!

Let me be very clear with you, brothers and sisters, what I believe in is, Racial Pride, Racial Honor, Racial Dignity, Racial Purity, Racial Advancement, Racial Security, Racial Common Sense, and a Racial GOD! Being proud of one’s race and its achievements does not mean that one hates another’s race, it just means that they believe that their race has more to offer, and that they are proud of who and what they are. That’s something that we as a race seem to have forgotten, or are being forced by the jews to forget, but it is time that we remember. Remember who you are. The sons and daughters of God.

Racial consciousness is at the very heart and soul of our being a solid race of GOD’s Adamic-kind people and He gives us meaning and purpose to our entire God-
given existence. Only with God within each of us as being His chosen can we continue with the struggle to promote the welfare and most importantly the survival of our race, the White Adamic-kind, but only if we openly accept Him and acknowledge Him and are truly prepared to accept the daunting task that He has for us. We must with all our strength defend our race against the abomination of the corrupt Talmudic Jewish internationalism and speak out against its corrupt mongrelized system, that is 100% Hell-bent on the total annihilation of God’s chosen race. We must speak out against the miscegenation that has been brought to the forefront of this nation, by these vipers of Satan, we must speak out against the corrupt government that no longer has the best interests of the people who founded it in mind. We must speak out against the Jewdeo-Christian churches that permit the abominations within their congregations such as homosexuals, bisexualism, transgenderism, and other abominations. They are attempting to destroy and dilute our distinctive Racial, Christian Identity. We will not let them.

Our Identity was given to us, not to be disregarded, or thrown to the ground and walked all over like a piece of trash, like it has no importance. Remember this, Your Identity, is what defines you, and embracing that identity makes you a stronger person spiritually and emotionally. Embracing your Identity will shine like a light within you, it will help guide you on your life’s journey. (That light within you is Yahweh our heavenly Father working within you.) Don’t miss out on accepting your destiny and accepting your Racial Christian Identity due to the tricks and treats of the Talmudic Jews, because they know full well the importance of what happens to them if you became aware of your true racial Identity, A White Aryan race that was created in God’s image and blessed from the beginning, created for one purpose!

God, Bless you all and may His light shine upon each and every one of HIS RACE!
