SECTION I  
HISTORICAL BACKGROUND

# INTRODUCTION

This booklet is a presentation of our beliefs and practices and is intended to serve as a basis for introducing The Restored Assembly of Elohim (RAOE) to the Aryan Nations, and those behind the walls. This will also serve that we are the premier standard bearer of True Apostolic Christian Identity known as (Two Seedline) Racial Identity. It is written specifically for all True Israelite people who have never heard it preached or taught as well as those who have but wish to know more about our historical roots and our Doctrinal Foundations as well as the practices which separate us from the jewdeo-christian “churches” and their pagan ministries.

This booklet has been prepared for those few remnant of the House of True Israel; who in Yahweh's providence and by the work of evangekism and reformation, are searching and perhaps considering whether or not to become members of the One True Assembly of Elohim. Regarding those Aryans who have never heard of Apostolic Christian Identity preached, you will be shocked as you learn that what passes for Scriptural theology in today's jewdeo-christian “churches” bears little resemblance to the True Faith delivered too and taught by the True Aryan Saints.

The doctrines of Apostolic Christian Identity (ACI) that is taught by The Restored Assembly of Elohim (RAOE) are all carefully backed by Scriptural exegesis and anyone who reads this book and studies the theology presented, will be forever changed into a revolutionary soldier of יהושע Yahshua our Messiah and King of kings.

# THE PRE-REFORMATION PERIOD

It is often a painful process to un-learn the things we've come to think of as “common” knowledge. But the truth is, the more common an understanding is the more hazy the facts are surrounding it. This is because people stopped asking questions about it long ago. This is precisely the case with the idea that Christianity owes its beginnings to judaism.

Why has Christianity embraced this false notion that it owes its beginnings to judaism? Why do all modern churches and theologians/ministers say they are jewdeo-christian? To answer these questions we must look into the history of judaism and Christianity in order to ascertain Christianity's roots.

The Restored Assembly of Elohim has done so and we can say with complete and total confidence that the root of the *True Apostolic Christian Identity Faith*, does **NOT** lay with the jewdeo-christian teachings of today nor with their evangelical theologians would have you believe. We have discovered that it lays with the teachings of the Patriarchs and Prophets through Yahshua the Messiah's teachings and as such carefully recorded in the Old Testament, the Apocrypha, the New Covenant (Testament) and key sectarian scrolls.

We begin by boldly proclaiming and stating that “jews”, “Hebrews”, and “Israelites” are **not** interchangeable nor are they synonymous with each other. These distinctions are multi-faceted in that they are racial, religious, cultural and political. We assert with pride and Scriptural Authority that the jews and judaism are infact a **corruption** of the True Hebrew Teachings. The judaisms holiest book is called the Talmud and is derived from the rabbis of the early sects of the Pharisees and Saducees who brought the corrupted teachings from the pagan filled city Babylon. The Talmud is made up of the “Mishna & Gemara” and is set up in six orders and is between 18-44 volumes depending on the language it is translated into.

Most “christians” are completely unaware of what the Talmud actually teaches, so here are just a few citations that any true christian should immediately recognize as **contrary** to Scriptural Teachings:

- approves of **sodomy** – book of Sanhedrin 54b
- approves of **child sacrifice** to idols – book of Sanhedrin 64a
- **cursing parents** allowed – book of Sanhedrin 66a
- allows **sorcery and witchcraft** – book of Sanhedrin 101a
- condones **bestiality** – book of Yedemoth 59b
- **blasohemy** allowed – book of Sanhedrin 65a-b

The Babylonian mystical schools evolved into what we know as the Pharisee and Saduccee theological schools among some of the Israelites who returned from Babylon. Such as “Hillel” who founded the “house of Hillel” and “Shammai”; who founded the school called “house of Shammai”. They no longer practiced the True Hebrew faith but instead paganized it and created a new false religion of **judaism**.

*NOTE:* of the roughly 50,000 Israelites who returned from the Babylonian captivity (598/7 and 587/6 B.C.E. - 538 B.C.E.); many intermarried with the other races that had settled in Judea during their absence.

This is recorded in the books of Ezra and Nehemiah and because of this inter-racial problem the husbands, wives and mongrel children were put out of the community and barred from the temple. (Mongrelization is NOT acceptable to those practicing the True Apostolic Christian Identity faith and is forbidden by the Holy Scriptures). When John Hyrcanus (164 b.c. - 104 b.c.) conquered the edomites and others, these inter-racial couples and children were accepted by and converted into the religion of judaism. Slowly this segment of the new Judean society became the dominant one both on the racial and political fields. They completely replaced (by force) the Priesthood and changed the Israelite culture and tradition forever. All of this is recorded by Titus Flavius Josephus (Yosef ben Matityahu) 37 A.D. - 100 A.D. Reference Flavius Josephus – *Antiquities of the jews* 11.5.2, 13.9.1, 13.11.3, 13.15.4, 14.1.3, 14.9.2&3, 14.15.2, and *Wars of the jews* 1.22.2.

This miscegenation occurred to such a large degree that Josephus stated unequivocally that only the Essenes were Judahites by birth (2.8.2).

The problem with this fact is that the Holy Scriptures specifically **forbids mongrels (mixed race)** from entering into the Congregation of יהוה Yahweh forever. *Deuteronomy 23:2* (Strong's #H4464 "MAMZER"), with regard to the Idumeans (Edomites) the problem is even bigger since Yahweh promises their complete extermination: *Ezekiel 25:12-14, 39:29; Joel 3:19-21; Amos 1:11-12 and Obadiah 18*.

The Jewish Encyclopedia Vol. 5. p. 41 (1925) clearly states the following genealogical fact:

"Edom is in modern Jewry".

This should make things simple for any **TRUE** student of the Holy Scriptures; if the Edomite blood is in modern Jewry or modern Jews then they cannot be the True Aryan Israelites that are to be regathered into the land of their fathers to fulfill the prophecies. It would put Yahweh at odds or be against Himself with the Holy Scriptures, since He is immutable, and changes, not He would never disregard His own prophecies or promises. So if the Jews of today are:

1. Not practicing the actual Hebrew faith of the Old Testament;
2. are not genetically or racially acceptable to Yahweh;
3. and, are to be destroyed completely by Yahweh in accordance with Obadiah 18;

**YOU MUST THEN ADJUST YOUR UNDERSTANDING!**

WHY has Christianity embraced this notion that it owes its beginnings to the Jews?

TRUE APOSTOLIC CHRISTIAN IDENTITY has been deceived by Jewde-Christianity that is **WHY!**

In answering a few basic questions, that each Aryan seeker of truth is given a course correction in their knowledge of the True Christian faith, that will lead them to a greater understanding of the Holy Scriptures and a much greater ability to be obedient to the Holy Word of Yahweh our Elohim.

Since so few Christians have any understanding as to who the peoples of Genesis 10 became, we provide a breakdown of Genesis Chapter 10 in Appendix 1.

Now that we have dispelled some false teachings (there are too many for this book), we can now begin the True Roots our ever growing Apostolic Christian Identity faith as practiced by Yahshua the Messiah and the Israelite Race of Apostles, those of the Aryan Bloodline. We begin by restating what was mentioned above; Josephus states that only the Essene sect of Judeans are racially the tribe of Judah. If Christians have ever heard of the Essenes at all they associate them with the Qumran community of the Salt Sea (Dead Sea). Most do not realize that there were many Essene communities and through their central theology was the same, but some of their teachings and customs were different. The origins of the Essene theology are much older than the Qumran community, the theology comes from the patriarchs.

We assert that the Essene theology is the pure patriarchal teachings of the Holy Scriptures. This theology was refreshed in the time of Joseph in Egypt through an "Original Interpreter of The Law" & "Prince of The Congregation" i.e. a priest of the Order of Melchizedek. Who established the proto-Essene community at Avaris Egypt the capital of the Shemitic Hyksos Dynasty as well as Damascus Syria where Hyksos ended up after being overthrown by Pharaoh Ahmose I in 1532 B.C. (Damascus Document; Dead Sea Scrolls). He was to be followed by "The Plant of Righteousness" which was the Pharaoh Ahkenaten spoken of in the Dead Sea Scrolls (Qumran Copper Scroll). Who established the Essene community at Amarna Egypt He was to be followed by the "Teacher of Righteousness" who was the High Priest Onias IV known as Jason; Onias was the lost Zadokite High Priest, and was ousted by Menelaus; known as Bilga a base and evil man. It was Onias IV who established the Essene community at Qumran.

From Qumran; the Essene teaching spread and many Essene communities were established; including communities at Ain Feshka, Galilee and Ephesus. The Essene community in Galilee was founded by James (Jacob) the brother of Yahshua. Jacob, Yahshua and Johannon (John the Baptist) were all students at Qumran in their youth. Yahshua founded His teachings based on the true patriarchal faith of the Scriptures as taught correctly by the Essenes. His ministry was based almost exclusively out of Galilee. The Essene community of Galilee was unique in that it not only allowed women in (with required headdress *I Corinthians 11:5-7*), but also encouraged marriage for procreation of the Race and had an armed security force and required ownership of weaponry. Which Yahshua also taught (*Luke 22:36-38*).

Josephus confirms these Essene teachings: Antiq. 13.5.9, 18.1.5, Wars 2.8.2, 2.8.3 and 2.8.6.

Yahshua taught the key Essene teaching of Light verses darkness and consistently made known the requirements to become Sons of Light as did His Apostles. (*Luke 1:79; John 9:5, 11:9-10, 12:35-46; II Corinthians 6:14* etc...) additionally Yahshua and the Apostles taught many other known Essene teachings: *Matthew 5:34, 10:9-11, 19:12; I Corinthians 7; James 5:12; Acts 4:32-34* etc..

Additionally; proofs of the Essene roots of Christianity are simply overwhelming. For example Paul's writings:

- “The righteousness of God” or *Romans 1:17, 3:5, 21-22 & 10:3*, a phrase never found in the Hebrew Scriptures but used verbatim in sectarian texts of the Dead Sea Scrolls i.e., “Zedek El”1Qm 4.6, 1QS 10.25 & 11.2.
- “Justification by grace through faith” *Romans 3:23*, a concept never given in the Hebrew Scriptures (Old Testament) though the idea that a new concept would be coming in later times is mentioned in a central way. Deuteronomy 30:1-6, Jeremiah 31:31-34. Paul uses the phrase in relation to sin in the sense of Yahweh bestowing it on Israel through Yahshua's death and resurrection. This is explained exactly as such a transitional concept in the Dead Sea Scrolls 1QH 4.30-38, 1Q5 11.12.
- Paul's consistent use of the phrase “works of the law” *Romans 3:28, Galatians 2:16* etc, is also never found in the Hebrew Scriptures but is found in the Dead Sea Scrolls 4Qflor 1-2, 4QMMT.

The following is a thorough but NOT exhaustive list of shared theological concepts and practices between the Essenes and Early Christians, which is NOT shared by Judaism:

- Belial as a personalized incarnation of the powers of evil.
- The temple as a metaphor for community.
- Dualism in terms of Light (good) and darkness (evil).
- Equating righteousness with the sun. *Matthew 13:43*
- The demand to keep separate from the way of darkness and to walk in the light.
- Courts of justice at Qumran and Corinth following then same judicial system.
- A conviction of Man's hopeless sinfulness i.e. Total Depravity.
- A humbler teacher of justification through grace.
- Knowledge of mysteries (creation & eschatological) of Yahweh-Elohim being revealed only to the absolutely Racially righteous.
- The terms wisdom, knowledge & understanding used in the same sense.
- The cardinal sins of fornication, impurity and greed.
- Foolishness and silliness as punishable offenses.
- An imperative for mutual fraternal-correction; that is the urgent need to make people aware that they are sinning and bring them back to the Light.
- The Essenes and the Christian Assembly as the “Chosen Race or Ones”.
- Liturgical times of prayer, vigils, quarter tense (days of fasting and abstinence) coming to the assembly from Qumran.
- Tendencies toward monasticism and male chauvinism.

We therefore argue a common sense approach; if a Religious group emerges with apparently new teachings and beliefs, but shows marked similarities in basic beliefs, religious practices, social outlook, sexual mores, hierarchical structure, style of writing and phraseology and choice of proof texts and in addition lives at or adjacent to that existing group and copies its unique burial practices it is not unreasonable to conclude that the new group emerged from and was part of that preexisting group.

So what about the Restored Assembly of Elohim? Are we Essenes? The answer is NO. Rather our Apostolic Christian Identity is the Teachings of Yahshua the Messiah, and has its root in Essene teachings and theology but only **as interpreted by Yahshua the Messiah**, Son of Yahweh and redeemer of Israel, King of kings and Lord of lords. This separates our faith from the Essenes in that we adhere to the Essene teachings of the Dead Sea Scrolls that **do not** contravene any of the Messiah's or Apostle's teachings.

## THE CULDEE AND CYMRY PERIOD

The Restored Assembly of Elohim's Apostolic descent comes through Yahshua-Messiah's secret Disciple Joseph of Arimathea reference: *Matthew 27:57; Mark 15:43; Luke 23:50-51 and John 19:38*. He was an uncle to Mary and thus Yahshua's great uncle. He was a prince of the House of David and one of only four racially (Aryan Bloodline) pure Judahites on the Sanhedrin council; a position he held until 36 A.D. He was the liaison between the High Priest of the second temple and the "Right Teacher" of the Qumran Essenes.

Joseph was a very powerful man who also held the title of "Decurion" which meant that he was a member of Senate in the municipality. He was also in charge of the mining district, owning his own tin mines in Cornwall England as well as a shipping fleet. Joseph had contacts all over the Roman Empire. He was very wealthy and was feared by the Pharisees and Sadducees. We know from historical records that after the passion or crucifixion that Joseph arrived in Gaul to teach and took with him eleven (11) disciples of his and the Apostle Philip's and founded the very first above ground Christian Assembly ever in Glastonbury England taking with him two (2) masonry jars filled with the blood of Yahshua. This new congregation became known as the "Culdee Assembly" meaning **Judean refugees**. It was built on twelve (12) hides of land granted to Joseph in perpetuity tax free by King Arviragus (1<sup>st</sup> Century A.D.) of the Silurian dynasty of Britain in A.D. 37 the last year of Emperor Tiberius's reign.

The Culdee Assembly easily converted the Silurian Druids who were themselves genetic Hebrews who were practicing a corrupted version of the Old Testament teachings. The first of Britain's royal family to accept the Apostolic Christian Identity faith was Bran the Silurian King and father of Caradog or Caractacus. Bran was instructed in the faith and baptized by Aristobulus Bishop to the Britons. Aristobulus was ordained by the Apostle Paul; Romans 16:10 and was known among the Britons as **Arwystli**. Aristobulus taught at the Culdee Assembly at Glastonbury and at the Assembly in Illtud in Wales/Siluria the first official "church" in the British Isles was also the first Cymry church and was founded by Llerwig i.e. Lucius the grandson of Caradog. The church was established at Llandaf making Britain the **first** Christian Identity nation in the world.

The Culdee and Cymry churches taught Apostolic Christian Identity throughout Britain and many more assemblies were built prior to the conversion of Emperor Constantine. The Culdee Assembly continued on consisting of twelve (12) Anchorites in the Essene tradition each taking on a student. It was in this way that many men came to study with the Anchorites, among the most famous was St. Patrick who arrived there in 430 A.D. and was eventually declared Abbot of Glastonbury. The Anchorites of the True Assembly continued to teach and many key members of the Reformation studied with them or possessed their writings.

# WHAT IS IDENTITY?

The word Identity is a single word used to represent a longer statement. Which is the identity of the Anglo-Celt-Saxon-Germanic and related peoples being the lineal (Racial) descendants of the “lost tribes of Israel” (10 tribes) held within the Holy Scriptures. Those who hold to this truth are properly called **Identity Believers**.

The importance of it cannot be overstated from a Scriptural perspective. Specific promises and Prophecies are made to and about *genetic/Racial Israel*. And has nothing to do with those who call themselves Jews today. If we don't know who they are how can we correctly decipher the end times Prophecies? Who's who in Scripture matters because it sets the **context** by which we apply Scriptural understanding.

Although this belief has not always been called *Identity* the substance of it has always been known to Christendom.

The Old Testament records Israel going into Assyrian captivity in *I Kings 14:15, II Kings 15:29, 16:7-9, 17:6-23 & 18:9-12*. The Apocrypha also records this in *II Esdras 13:40-47*. Archaeology confirms this as well in the Scythian graves called “*Tumuli*” found in Crimea; which records their Racial Israelite heritage. These graves are dated between 220 B.C., and 15 B.C. As well as the statements found in the Assyrian Tablets and the Behistun inscriptions. The New Covenant (Testament) makes references throughout to these Racial Israelites who are scattered abroad: *Matthew 10:6, 15:24; John 7:35, 10:16, 11:52; James 1:1; I Peter 1:1 & Revelation 1:4, 11*. For a basic presentation of the migrations of “lost Israel” into Europe please refer to Appendix 2.

For those who would like to dive into an **in-depth** study of the evidence of the Identity of the Anglo-Celt-Saxon-Germanic and related peoples being the lineal/Racial descendants of the lost ten tribes of Israel please consult the following works:

1. *Missing Links Discovered In Assyrian Tablets: the remarkable discovery of the fate of the long lost tribes of Israel* By Dr. E. Raymond Capt; M.A. Biblical Archaeology; A.I.A.; F.S.A.; D. Lit.
2. *European And Other Race Origins* By Prof. H.B. Hannay
3. *Discovering The Story of Your Biblical Heritage & Identifying Biblical Israel Today* By Dr. Lawrence Blanchard
4. *Judah's Sceptre and Joseph's Birthright* By J. H. Allen
5. *Great Britain and The United States In Prophecy* By Paul R. Mullet

The reason why we have taken the time to demonstrate that the **Identity** teaching was taught and handed down from the Apostles is because:

1. All TRUE Christian teachings can be traced back to the Apostles; and
2. Modern theologians and writers who attack *Identity* usually claim that this teaching first appeared in the 1800's. As we have shown above and in the segment “The Culdee and Cymry Period” this teaching is much older than the 1800's and is an Apostolic teaching.

# THE SPLIT IN IDENTITY

There has developed a larger and rather disturbing split in the Christian Identity movement around the World more so within the borders of the United States of America. This split is based on different Scriptural interpretation of Genesis chapters 3 & 4, but in particular **Genesis 3:15** which states: “*And I put enmity between you and the woman, and between your seed and her Seed. He shall crush your head, and you shall crush His heel*”. (TS 2009 Translation). This has caused a divide between Christian Identity in the form of Two/Dual Seedliners believers and Single Seedliners believers (sometimes referred to as Anti-Seedliners):

1. Those who believe that Genesis 3:15 promises genetic/racial descendants to both the Woman and the serpent. These are called Two/Dual Seedliners
2. and, Those that believe that only the Woman's seed is literal. These are called Single or Anti-Seedliners.

The main question is whether or not satan (serpent) non-Aryan being has **literal offspring** that now live among us. The Restored Assembly of Elohim is a **TWO SEEDLINE Assembly**. This teaching of the Two Seedlines and the sexual seduction by a non-Aryan person or being upon Eve in the Garden of Eden is absolutely Scriptural; both the Hebrew and Greek autographs bear it out! Additionally this truth was taught by the Essenes and is contained in the Dead Sea Scrolls (1Q13), “Heavenly Prince Melchizedek”, (1Qs), “Community Rule” and (1Qm) “War Scroll”. It was also taught from the 8<sup>th</sup> century Manuscript “The Loca Monachorum” which is a copy of the Culdee Catechism from 40 A.D., written by Joseph of Arimathea. This truth is also supported in the writings of the early assembly fathers. (The Ante Nicene Fathers Vol. III Chapter 17).

This Two Seedline doctrine or Theology is explained in a more exhaustive detail in the “**RAOE Scriptural Study Handbook**”.

# THE REFORMATION PERIOD AND THE SPREAD OF APOSTOLIC CHRISTIAN IDENTITY

It is interesting to note that the primary points of the Reformation movement were to return to KEY ESSENE teachings, specifically;

1. The absolute authority of the Scriptures.
2. The priesthood of all believers.
3. The Doctrine of the Assembly.
4. The Absolute sovereignty of Yahweh.
5. Predestination.

In the beginning of the Reformation; which started in 1517 A.D., and continues to this very day, the Anchorites of the Culdee and Cymry Assemblies taught the TRUE faith to many key Reformers such as: *John Knox, John Rogers, William Cole, Anthony Gilby, William Wittingham, Edmund Sutton, Thomas Wood, William Williams and Alexander Cruden*. Many more were trained by the “Book of The Anchorite” and the “The Loca Monachorum mss.” The translators and compilers of the 1560 Geneva Bible taught some of the Culdee doctrines in their footnotes and cross-references. The Puritans brought these teachings with them when they came to American continent.

Apostolic Christian Identity was nearly lost because of the catholic oppression and a general apostacy. Fortunately it was rescued by true men of Yahweh through careful study of the Holy Scriptures and key Anchorite manuscripts. This rediscovery of the Scriptural doctrines has gone through many names and

exemplifies and closer return to a state of purity. Today the purest form of Scriptural interpretation is called “**Apostolic Christian Identity**” and is distinguished by similar teachings by its core systematic theology called “**Hyper-Covenant Theology**”.

Eusebius in his “*Church History*” says: “...Peter... writes to the **Hebrews** of the dispersion in Pontus, Galatia, Cappadocia, Asia & Bithynia”. Book 3, Chapter 4 [referring to *I Peter 1:1*]. You will note the Scriptural passage does NOT say **Hebrews**; but Eusebius added it because it was common knowledge at that time.

During the reign of King Edward the VI [1537-1553 *The early Reformation*] he commissioned a group of leading historians to collect histories and information from ancient records and publish them so they would not be lost to the British people. This work was interrupted during the reign of “Bloody Mary” [from 1553-1558 known as Mary I] but was completed during the reign of Queen Elizabeth [from 1558-1603]. The records used to collate this tremendous work were considered **ancient** in the 1500's; and while most of the originals have been lost the information they contained has been preserved in the work produced by these historians. This work again proves that Christians were aware of the Anglo-Celt-Saxon/Israel identity **long before the 1800's**. [See “*A Collection Of Curious Discourses written by Eminent Antiquarians Upon Several Heads Of Our English Antiquities; Together with Mr. Thomas Hearne's Preface*” Vol, 1 & Vol. 2].

The Holy Spirit has inspired many men over the years to keep this knowledge alive. The importance if it cannot be overstated from a Scriptural perspective. Specific promises and Prophecies are made to and about *genetic/Racial Israel*. If we don't know who we are Racially, how can we correctly decipher the end times prophecies? Who's Who in Scripture matters because it sets the **context** by which we apply True Scriptural understanding.

The greatest Holy Spirit led revival of Identity came in the 1800's starting with the research of M. Sailman in his book “*Researches in the East*” (1818), followed by the research and lectures of John Nimmo in his book “*Identity of the Religions Called Druidical and Hebrew*”. The greatest teacher of this truth in the 1800's was absolutely the Rev. John Wilson. John Wilson was born at Kilmarnok in Ayrshire, the lowlands of Scotland on June 8<sup>th</sup> 1788. His family were part of the established church, and he attended Glasgow University as well as Greville Ewing's Theological Academy where he studied Latin, Greek, Hebrew-Chaldee, Logic, Philology and the Scriptures. He began preaching and lecturing after graduation and studied extensively at the library of Trinity College of Dublin Ireland, where he encountered “**The Loca Monachorum**” MSS #908, a copy of the *Culdee Catechism* written by Joseph of Arimathea in A.D. 40. He also studied the key anchorite MSS “**The Book of The Anchorite Llandevi Brevi**” as well as other Culdee and Cymry texts. John Wilson preached and taught *Identity* all over the British Isles. In 1840 he published the first of many books on the topic titled “*Our Israelitish Origin*” followed by: “*Book of Inheritance*”, “*The Gospel Harmony Treasure*” and “*The Migrations Of The English People*”. His students and acolytes carried on this teaching eventually producing many literary works and Bible Studies on *Identity* and related topics. An entire generation was educated in the truth of *Identity* and carried it to the four corners of the earth.

It has been a well concealed fact that within mainstream Jewde-Christianity that **many** of the most famous and beloved preachers, ministers and theologians have been at least at some point been Identity Believers: Dr. Thomas Chalmers [1843] the founder of the **Free Church of Scotland** was a friend of Rev. John Wilson's and an Identity believer. Rev. James S. McGaw a **Scottish Covenant Presbyterian** wrote: “*Suppose We Are Israel...What Difference Does It Make?*” The evangelist Billy Graham was led to “Christ” by the famous **Baptist** Preacher Dr. Mordecai Ham who wrote: “*The Need For Anglo-Israel Truth*”. The **Puritan** revivalist Arthur W. Pink espoused the Identity Doctrine in his work “*The Doctrine of Election*”. The founder of **Pentecostalism** Frank Sanford wrote: “*Who God's Ancient People Israel Are*”. The famous Swiss **Reformed** Theologian Dr. Jakob Abbadie D. Th., [1654-1727] wrote: “**Unless the ten tribes of Israel are flown into the air or sunk into the earth; they must be those ten Gothic tribes that entered Europe in the fifth century, overthrew the Roman Empire and founded the ten nations of modern Europe**”.

Former rabbi turned **Catholic** Reverend; Elieser Bassin Ph.D. Wrote “*The Modern Hebrew and Hebrew Christianity*”.

The list of Christian Ministers who were *Identity Believers* goes on and on through nearly every denomination including **Evangelical**: *Ulrich Zwingli, Jerome Zanchius, Charles Finney, A.J. Ferris, F.J. Huegel, Reader Harris, Rev. George Harlod Lancaster, William Poole, Arthus Wallis, Andrew Murray, Rev. L.G.A. Roberts, Prof. C.A.L. Totten, "LUMEN" [Jonathon Samuels, Bishop J.H. Titcomb, Dr. John Dick, P.W. Thompson, Dr. Clem Davies, C.F. Parker, Rev. A.B. Grimaldi, Robert B. Record, Howard B. Rand etc...* Due to John Calvin's close work and friendship with John Knox and other Geneva Reformers its highly likely that he was also an *Identity Believer*, though he does not appear to have written on the matter.

The fact is, *Identity* teachings are present to a greater or lesser degree in **every Christian denomination**. In modern times teaching *Identity* has become very inconvenient because by its very nature it is divisive or politically incorrect, at a time when Christendom as a whole is experiencing dramatic drops in church attendance and membership. In order to swell attendance most denominations have embraced the **rot and poison** of unitarian and Ecumenical doctrines. The shift away from Identity truth has never been because it has been disproved. Rather it is always for convenience and so called "unity". These ministers all forget that Yahshua Himself stated clearly that He did not come to bring peace on earth but rather *A Division, Matthew 10:34, Luke 12:51*. He came to divide the Elect from the world and unite the Elect back to the Father Yahweh-Elohim.

In the 1950's *Identity* received another Spirit led revival this time regarding **Dual-Seedline** sometimes called **Two-Seedline** truth. With the teachings of *Dr. Wesley A. Swift, Col. William P. Gale, San Jacinto Capt, Dr. Bertrand L. Comparent, Gerald L.K. Smith and Pastor William Lester Blessing*. It was during this revival that the first inroads to the connections of the early Christians to the **Essenes** were made. *Dr. Wesley A. Swift* wrote about this connection in "*The Symbol of The Cup*", "*This Time The Crown*" & "*Blue Tunic Army of Christ*".

## **THE RESTORED ASSEMBLY OF ELOHIM**

The Restored Assembly of Elohim (RAOE) is the modern manifestation of the Culdee Assembly originally founded by the Apostle **Joseph of Arimathea** and today stands alone representing the Chosen Remnant. **Romans 9:27, 11:26-27.**

The RAOE was officially established on January 15<sup>th</sup> 2018 and is independent of any other religious organizations or groups. But, we will stand in solidarity with any Aryan Organization or Assembly that does teach Hyper-Covenant Theology. The modern iteration of the Culdee church was established by *Dr. Wesley A. Swift*.

Dr. Wesley A. Swift, an ordained Methodists Minister who learned the Identity Truth and studied "**The Loca Monachorum**" and the "**Book of The Anchorite**" left the Methodists church and founded a church in 1946, "**The Church of Jesus Christ-Christian**" which had congregations all over the state of California: San Francisco, Oakland, Lancaster, Riverside, Hollywood and San Diego. Dr. Swift also co-founded the Christian Defense League and worked with Gerlad L.K. Smith as the west coast director of the Christian Nationalist Crusade. Upon Dr. Swift's passing the **CJCC** was continued by **Pastor Richard G. Butler** a devoted acolyte of Dr. Swift's. He moved the Lancaster congregation to Hayden Lake Idaho. The rest of **CJCC** labored under the leadership of Dr. Swift's widow Loraine Swift. In 2002 she turned over the tiny remnant of the church to Kingdom Identity Ministries. In 2004 Pastor Butler passed away and the Idaho **CJCC-AN** splintered into several groups in the U.S.

The group Pastored by **Paul R. Mullet** broke from the **CJCC-AN** over *doctrinal issues*; specifically several heresies contained in the teachings and writings of the other **CJCC-AN** splinter groups. Some of these doctrinal issues were:

- Arminianism
- Semi-Pelagianism

- Perfectionism
- Socinianism [Example 'Theory of The Atonement']

... additionally in our search for the Divine Truth we fine tuned our theology with strict theological interpretations such as:

- Double Predestination
- Traducianism [Israelites]
- Particular Redemption
- Supralapsarianism

Finally, having purged out all heresy, and necessitating separation from the **CJCC-AN**, Bishop Mullet selected a new name, chosen to reflect a renewal and proper teachings of doctrine, “**Restored Assembly of Elohim**”. The RAOE is a direct lineal descendant of the **CJCC-AN**; under Paul R. Mullet and many Pastors, Elders, Deacons and members who joined with him in this reformation, a new era of *Identity Believers* has begun.

Power within the RAOE is vested in its Pastor General; the Apostle; **Paul R. Mullet**. A advisory council of 12 elders (Presbytery) all of which hold a life time appointment. This council **DOES NOT** establish doctrine or policy by advises the Pastor General. The RAOE is a registered tax exempt Religious entity under Title 26 United States Tax Code 508 (c) (1) (a) and is registered in the State of Ohio where it is Headquartered, with congregations all over the United States.

The RAOE publishes two magazines “*The Divine Truth*” and “*The Voice of Truth*” as well as many books, booklets, tracts, pamphlets, flyers and select reprints of **CJCC/AN** materials. All of our teaching material is **FREE** and is available on our website by visiting [www.raoe.org](http://www.raoe.org)

**SECTION II**  
**OUR CONFESSIONS AND**  
**CREEDS**

# OUR CONFESSIONS AND CREEDS

Many Confessions and Creeds are contained within various historic “church” meeting texts and declarations. The RAOE also has many texts of such import, which were prompted by the necessity of countering the teachings of heretics in particular the “jewdeo-Christian” hokum passing for true Scriptural teachings. The RAOE is organized and united on the following:

- The Dead Sea Scrolls, 385 B.C.
- The New Covenant Teachings A.D. 34
- The Culdee Catechism A.D. 40
- Confessions of Aristobulus A.D. 50
- Synod of Llandaf A.D. 174
- 2<sup>nd</sup> Synod of Llandaf A.D. 560
- Synod of Augustineas A.D. 603
- Confessions of Clarendon A.D. 1164
- Creed of The Anchorite Llandevi Brevie A.D. 1346
- Synod of Geneva A.D. 1560
- Confessions of Kilmarnock A.D. 1840
- RAOE Covenant of Faith A.D. 2018

## THE SCRIPTURES

The Doctrine of the Holy Scriptures is critical to the health of both the Aryan Race (Set-Apart Race) and the Assembly, for it is what determines everything we believe.

- Our Faith depends of the Holy Scriptures
- We confess that Yahweh is the sole author of the Scriptures by the Set-Apart Spirit whom indwell-ed and inspired men for the writing of the Holy Scriptures.

We believe that inspiration was a wonderwork of grace; Yahweh had chosen and prepared these men for this work. Because, the Scriptures are inspired, they are reliable, authoritative and true. Scripture gives evidence throughout by its own testimony but also by Yahshua-Messiah and the Apostles. These evidences are borne out of secular history and science.

It is therefore a fundamental truth in the Restored Assembly of Elohim that Scripture and **not man** that has authority over the Assembly's faith and practices. We do not follow personalities nor are we waiting for some new revelation. We trust 100% that the Scriptures are in their entirety sufficient teachings of Yahweh for our life and training. Nothing need be believed that the Scripture does not support and nothing will be believed which Scripture contradicts. We believe not only in the sufficiency of the Scriptures but also in the perspicuity of them.

We believe that the Scriptures are preserved by Yahweh-Elohim in the FULL Canon. But because most christians have no idea how we got the current “Bible” in use today a basic explanation is warranted to give **context** to the points made later in this segment. First, lets start by stating that Yahweh-Elohim did not beam the “Bible” to man **as is** on a beam of light. Rather Yahweh-Elohim inspired Moses (Mosheh), the Prophets and the Apostles to write the books; to provide His message to His Race. *Deuteronomy 32:8-9; Matthew 15:24; John 17:1-2, 6,9 & Acts 5:30-31.*

The Canon of Scripture was set by a man made church council, the council of Liodicea in 363 A.D., and included all the Books of the Bible and Apocrypha but the book of Revelation. Athanasius of Alexandria cites

all twenty seven books in 367 A.D., followed by many other councils. These church councils reviewed hundreds of books and subjected them all to the same test called “*Notae Canonicitatis*”. The criteria of this test included:

- Origin from Moses, the Prophets or the Apostles
- Consistency with the undisputed core canonical books
- Reception by the original Apostolic churches

There are two accepted views on the concept of the compilation of the Canon:

- Roman (paganistic) Catholic view that the Bible is an infallible collection of infallible books
- The Protestant view that the Bible is a **fallible** collection of infallible books

The distinction is that Protestants do not and never have believed that the Roman Catholic church councils who selected the Canon were infallible. The Father of the Reformation, Martin Luther very specifically made that challenge. **WE AGREE!** John Calvin wrote:

“...nothing, therefore can be more absurd than the fiction, that the power of judging Scripture is in the church, and that on her nod its certainty depends...”

Calvin viewed the Bible as objectively “the Word of God” and derives its authority from Him and not the church. **WE AGREE!** The church does not create Scripture but receives it. The difference between catholic and protestant Canons is the debate about the Apocrypha. The catholics use it and the protestants, since 1885 do not.

The reason for the protestant's choice of *Canon Reduction* is based almost exclusively upon the premise that the “Hebrew Bible” did not contain the Apocrypha. This protestant assertion is utter and complete **speculation** as there are no existing copies of the original Hebrew Bible they speak of to prove or disprove this claim.

We do however know that the “jews” of Alexandria Egypt; wrote the “*Septuagint Bible*” circa 250 to 100 B.C. The Septuagint (LXX) contained the Apocrypha. And the Septuagint is a Greek translation of that “Hebrew Bible” that protestants refer to. Catholic scholars of course argue that the Apocrypha belonged to the original Hebrew Canon.

This debate was understandable pre-1947 as there was no comparison materials, but that all changed between 1947-1967 with the discoveries of the **Dead Sea Scrolls**. These Scrolls of the Essene sect of Judah, which by all accounts was the most fanatical about textual and doctrinal purity, their Canon contained the Apocrypha.

The second reason protestants give for the removal of the Apocrypha from the Canon is that neither “Jesus” nor the Apostles quote the Apocrypha. If this were true we would consider this a fatal blow to the Apocrypha. But, it simply **isn't** true at all. As we will demonstrate below.

The Restored Assembly of Elohim's accepted canon consists of seventy-nine books. 65 of the 66 books used by the protestant churches, 11 books of the Apocrypha and the books of Jubilees and Enoch, which are all found in the Dead Sea Scrolls. We also include the “Sonnini MSS” which contains the 29<sup>th</sup> chapter of the Acts of the Apostles. We omit the book of Esther from the Tanakh and the books of the Maccabees 1 & 2 and the rest of Esther from the Apocrypha; because these were not included in the Dead Sea Scrolls, nor were they included in the canon used by Joseph of Arimathea.

Our justification for this Canon is simple:

- The current jewdeo-christian canon (protestant, catholic & eastern orthodox) was agreed upon at the church council of Laodicia; in Phrygia in A.D. 365. This was followed by the council of Hippo A.D. 393 and Carthage in A.D. 419. These dates are **very late** compared to the canon contained in the Dead Sea Scrolls, which scholars date from **385 B.C.**
- The Canon of the Old Testament was cited by Yahshua-Messiah began with Genesis and ended with Chronicles; *the Apostles cite the rest of the books of the Old Testament.*
- The Old Testament **confirms** the teaching of the Apocrypha.

- The Apocrypha is contained in the Dea Sea Scrolls.
- The Apostles *quote* from the Apocrypha as well as the book of Enoch.
- Both the book of Enoch and Jubilees are well established by the Dea Sea Scrolls with over a dozen copies of each being found. [Caves 1,2,3,4 & 11] These were books considered canonical by Onias IV **the last Zadokite High Priest of Israel**.
- The Apocrypha was not removed from the protestant bibles until the later part of 1885 to be exact and no legitimate reason has ever been advanced for removing these books from the Scriptures used in the Reformation.
- There are 113 references from the Apocrypha in the Scriptures. Here are some Specific ones from the New Covenant (Testament) to help illustrate the point:
  - *Matthew 6:7 – Ecclesiasticus 7:14*
  - *Matthew 23:2 – II Esdras 1:30*
  - *Matthew 27:43 – Wisdom 2:15-16*
  - *Luke 6:31 – Tobit 4:15*
  - *Luke 14:13 – Tobit 4:7*
  - *Romans 9:21 – Wisdom 15:7*
  - *Romans 11:34 – Wisdom 9:13*
  - *II Corinthians 9:7 – Ecclesiasticus 35:9*
  - *Hebrews 1:3 – Wisdom 7:26*
  - *Jude 14-15 – Enoch*
- Lastly; the Book of Acts is clearly incomplete in the jewdeo-christian Bible, as many of the most respected Biblical scholars have observed. We include the “**Soninni MSS**” in the canon of Scripture, it was discovered by the Turks among ancient church ruins in Ephesus and was taken to the National archives in Constantinople [Istanbul] where it was copied by C.S. Soninni. Who then took it to Ireland. It was the **29<sup>th</sup> chapter of the book of Acts**; consisting of 26 verses that contain historical and prophetic information but no information that would cause and deviation from the current Scriptural Doctrines.

## THE DOCTRINE OF YAHWEH-ELOHIM

- The name of the Almighty is YHVH. It is often written as Yahweh or Jehovah. Regardless of the preferred spelling if the correct linguistic rules are applied His name will be pronounced YAH-OO-AH. For more information on this important topic please write for our Doctrine book #1.
- We assert that Yahweh-Elohim exists and is a living being, representing the “Godhead” substantially: Yahweh/Father, Yahshua/Son & Ha Ruach/Set-Apart Spirit.
- He is not doubted or questioned by the believer and cannot be proved to the unbeliever; nor do we consider it necessary to attempt this.
- Every genetic/Racial Israelite knows that Yahweh exists but the genetic/Racial Israelite unbeliever simply has not been called yet.
- There is only **ONE** Yahweh, there are no other beings like Him.
- Yahweh has the following unique attributes: Omnipotent, Omniscient, Omnipresent, Omnitemporal and Immutable.
- The following are some of the attributes we can share with Yahweh-Elohim as we progress towards Glorification: wise, merciful, loving and sanctified.
- Yahweh-Elohim is a covenant Supreme Being. This truth is precious to us as His chosen Race and we recognize this as having a premier place: the Scriptures.

As the doctrines of Predestination/Reprobation and Election are the heart of the Assembly and the truth of the

atonement work of Yahshua-Messiah on the tree/stake is the heart of the Gospel's Kingdom of Elohim message; so a proper understanding of Yahweh-Elohim's covenants with genetic/Racial Israel is the heart of the faith delivered.

Yahweh-Elohim promises to save every Racial Israelite dead or alive *Deuteronomy 30:1-6; Romans 11:26-27* by sending them the New Covenant; *Jeremiah 31:31-34; Hebrews 8:8-13* which is the Kinsmen Redeemer and Messiah of true Racial Israel. *Matthew 10:5-6, 15:24; Luke 1:33; John 17:1-22; Acts 5:30-32; I Peter 2:10 etc...* Yahshua is He who cannot fail in His mission *John 17:1-3*.

The practical implications of the Covenant Yahweh-Elohim has established with us (Racial Israel) are:

- Our religion is one of serving Yahweh-Elohim with our whole lives in: mind, body and soul.
- If we are living in fellowship with Yahweh-Elohim then we must have lives that are different and **SEPARATE** us from the unbelievers and ungodly. **II Corinthians 6:14-18; Ephesians 5:6-16**. This includes the doctrine of “**Scriptural Separation**” from all those descendants of those who have been identified by Yahweh-Elohim in the Scriptures as being unfit for the Kingdom: *Deuteronomy 7:1-6, 23:2-3; Ezekiel 25; Obadiah 18, etc...*
- We must demonstrate our saved nature in our daily actions by keeping the Scriptural Law, Torah & Essene Halacha, and producing good fruit. *I John 3:4; Acts 26:20*.

## CREATION

We recognize that creation belongs to the sphere of faith, i.e. LOYALTY. So, we believe that Yahweh-Elohim has created from nothing, all His things. Scripture absolutely provides the explanation of this creation. When read correctly science, history and Scripture line up in perfect harmony. We declare Yahweh-Elohim's providence. That is, He has NOT forsaken what He created nor given creation over to “chance”. All things come under the scope of His providence.

Some may not like our fate or purpose He has for them and all things but His will is Omnipotent. Therefore; we reject the common error of six literal 24-hour days of creation history commonly taught in jewdeo-christian circles today. Rather we return to the Hebrew and rightly divide the Word of Truth.

- The earth and its contents were created in six eons in *Genesis 1:3-31*. The word translated as “day” is the Hebrew word Yowm; meaning a space of time defined by an associated term; age, always, continually, ever, perpetually, old, etc...
- What is described in the Scriptural record is six ages or eras of unknown duration.
- For proof that Yowm is not a 24 hour period is found at *Genesis 2:17* “...for in the day that you eat of it you shall certainly die.” We know that Adam did not die in 24 hours but rather lived to the age of 930 years. A more complex presentation of the creation of peoples is given in the next segment.

## MAN AND THE FALL

The Genesis account of the creation of people is much *more* complex than the simplistic English translations will have you believe. The Hebrew language is rife with subtext, hidden meanings and *idioms*. This makes this part of Scripture one of the most misunderstood of all.

Since rabbinical jews **hate** Yahshua and His followers; they have deliberately obfuscated the Hebrew. This

creates a major obstacle for most clergy and theologians, because when Genesis is misunderstood it taints the rest of Scriptural interpretation. For any reader who is skeptical; *stop here* and go do a simple word study on the word “man” with your Strong's Concordance; and compare the Hebrew to the inaccurate and generic English in your “Bible” translations. This will cure you of the notion that we need not check the English against the Hebrew/Chaldee.

### **We Believe:**

- The jewdeo-christian teaching “that all peoples are descended from Adam and Eve” is **FALSE**.

When correctly read the Genesis account makes key distinctions, Genesis 1:24 “*And Elohim said, “Let the earth bring forth the living being according to its kind: livestock and creeping creatures and beasts of the earth, according to its kind.” And it came to be so.*”

- The Hebrew for “living creature” is a collective noun for all air breathing animals. Strong's #H5315 “nepes”.
- **Genesis 1:24** uses a derogatory euphemism for *brute/primitive tribes or peoples* translated sloppily into English as “*beasts of the earth*”. The Hebrew here is also a collective noun meaning “beast” but carries the colloquial meaning of primitive or backward tribes and peoples, i.e. “*chaya*” Strong's #H2416 which comes from the root word “*chaya*” Strong's #H2421. Only the word “*chaya*” carries with it the idea of allowing something to “continue to exist” as this passage does. The word “*chaya*” literally means brute tribes/peoples [*The Analytical Hebrew-Chaldee Lexicon p 256 by Benjamin Davidson 2014 Ed.*]

So, in **Genesis 1:24** Yahweh-Elohim allowed these brute/primitive humanoids to continue to exist. In **Genesis 1:25** Yahweh-Elohim makes other brute tribes of people cattle and creeping things. These two key statements are **different**. The first being the products of the earth and its contents which includes satan and his fallen angel host and their propagation and genetic manipulations; such as genetic dead ends like Australopithecus and Pithecanthropus etc... **Which no perfect Supreme Being would make.**

The second being, Yahweh-Elohim's creation of the tribes/peoples [**races**] who were not to be predestinated for Glory or salvation, i.e. “*the vessels of wrath*” of **Romans 9:22-23**. **Then** we have the description of the creation of **Adamic Man** in **Genesis 1:26**. Adamic Man is distinguished in the Hebrew by the use of another word “*Awdawm*” **Strong's #H120 from the root #119** which means *a ruddy/reddish Man, #H119 meaning to be able to blush or turn rosy*. This is a limiting factor in that only **WHITE PEOPLE** can flush/blush or turn rosy in the sun. This is due to the genetic/racial fact that in **WHITE PEOPLE**; hemoglobin shows in our skin because our skin contains very little melanin. Genesis chapter two also uses the word *Awdawm*, and thus must be read this way; though a distinction is made here as well in that the definite article is used “*the awdawm*”. This indicated one individual of this Racial type who is placed in the Garden of Eden. This interpretation lines up with known facts of science and the fossil record as well as Anthropology.

### **We Believe:**

- Yahweh created Adamic Man in His own image.
- Adamic Man was created a rational and moral creature, with intelligence, freedom, emotions and a body having natural senses; all to serve Yahweh-Elohim.
- Adamic Man was able to talk directly to Yahweh-Elohim and hear Yahweh-Elohim.
- Yahweh-Elohim gave Adamic Man the necessary spiritual gifts so that he could dwell in Yahweh-Elohim's covenant fellowship *Ephesians 4:22-24; Colossians 3:10*.
- That true fellowship is:
  - In relationship to Yahweh-Elohim, Adam was His covenant friend/servant and first father to His servant people or Race.

- In relationship to creation, Adam was king under Yahweh-Elohim and progenitor of the servant Race of Yahweh-Elohim.
- In relationship to all Adamic peoples Adam was their legal representative *Romans 5:12-19*. Adam was “first father” of the chosen Race of those predestined to salvation and glory; whose performance in this training ground (earth) earns their individual positions in the Kingdom of Yahweh-Elohim.

### We Believe:

- Yahweh-Elohim's sovereignty is **total** and **complete**. Nothing happens that He does not ordain by action or deliberate inaction.
- Adamic Man's fall was predestined so that we would learn by experience; in order to achieve true Divine understanding.
- Yahweh-Elohim gives true Adamic Israelites freedom to sin, so that they learn all of the lessons needed to faithfully discharge their service in the everlasting Kingdom of Elohim to come.
- This freedom to sin is not “free will” because even when Yahweh-Elohim allows it; He does so because the transgression serves His plan.
- Adamic Mans fall was a willful foreordained subjection to sin, having been warned not to partake of the “Tree of the Knowledge of Good and Evil”, Adam allowed Eve to disobey Yahweh-Elohim's command. Then he partook; allowing their *nature* to become corrupt.
- The serpent/satan taught them **evil** as all **evil** is sin and sin is the transgression of the Law. *I John 3:4*
- Yahweh-Elohim held Adam and Eve responsible for their sin and they stood guilty before Yahweh-Elohim, liable for the punishment He said He would inflict.
- Besides the temporal judgments inflicted by Yahweh-Elohim upon the Adamic Race, and the entire creation Yahweh-Elohim executed the death sentence upon all creation.
- Death is not merely the physical death to be suffered by all creation but also is the spiritual death suffered by Adamic Man in order that His servant Race obtain true understanding of what it means to be cast out of the presence of Yahweh-Elohim.
- Death consumed man, with the heart immediately becoming desperately wicked and thus the mind, will and emotions were corrupted and the whole body now serves as an instrument of sin in the service of satan and his *rebellion*.
- This scriptural truth of total depravity shows us that there is nothing good to be found in man. He is dead trespasses and sins, incapable of doing any good and inclined to all wickedness. The sinner is so consumed in the bondage of sin and death that he does not want salvation, is not able to save himself and only increases this guilt continually; until he receives Yahweh-Elohim's saving call. Being thereby “born from above” spiritually revived in Yahshua our Messiah.
- The RAOE **rejects** completely the *heretical* modern jewdeo-christian teachings of “universal reconciliation” and “universal atonement” as UNSCRIPTURAL. Yahweh clearly predestines to salvation and thereby those He does not call predestined to destruction. *Romans 9:13-23; Ephesians 1:3-12*.
- The RAOE **rejects** the *heresy* of pelagian that “*sin is only in the deed not a corruption of the nature*” which is often parroted by jewdeo-christian ministers as “*love the sinner; hate the sin*”.
- The consequence of Adams fall for the whole creation are:
  - 1) Because Adam stood as the legal head of all creation; his transgression was transmitted to all creation so that Adamic Man might learn that rebellion brings **death**.
  - 2) We believe that Yahweh's attitude towards the Adamic sinner is an attitude of love in expectation of the learning of **TRUTH**. In this world Adamic Jacob-Israel are expected to learn through experience the lessons He has set before them. He hears His people's (Race) prayers, and hearkens to those who cry out to Him. But He is also Yahweh-Elohim; He hides His face from the ungodly, hates the wicked, is filled with wrath towards the profane, has no fellowship with the uncalled sinner and is unto “**those who are without**” an all consuming fire.

# THE FLOOD OF NOAH

The Scriptural account of the flood of Noah is another part of Genesis that has been misinterpreted. Simply put, there was **NO** worldwide flood in the time of Noah. We can calculate the time of Noah by simply counting back using the life spans of the Ante & Post deluvian Patriarchs [approx. 2335 B.C.] Several civilizations continued unbroken through that period and **were not killed or removed from the face of the earth** i.e., the Chinese, Egyptians etc.

The Noahide flood was not a global event is easily proven by Scripture in correctly reading the Hebrew. The first word to look at is “*erets*” Strong’s #H776. It does not carry any connotations of a global spherical planet in its meaning. It has been translated “*earth*” many times but also “*country*” 140 times, “*land*” 1,476 times and “*ground*” 96 times in the Old Testament. Context matters here and the translators are applying it to a global event because they already believed such to be true. To illustrate the point look up a few passages that use the Hebrew word “*erets*” **Genesis 4:14, 12:1, 19:31; Exodus 10:5,15 and Jeremiah 47:1-2**. Take particular note of the last one and try to apply “*earth*” there. The absurdity will become apparent. When we correctly interpret the word to be a limited land area then all the passages where “*erets*” occurs will harmonize.

The other word used in reference to a flood covering the earth is the Hebrew word “*Adamah*” Strong’s #H127 and means **reddish soil/dirt**. It does not carry a meaning of global planetary earth. This is again a reference to a local area since not all the earth is reddish. As far as the death of all, everything that had the “*breath of life*”; this idea is now limited to a localized area.

In Hebrew when indicating the global spherical earth; the words “*Tebel*” Strong’s #H8398 and “*Heled*” #H2465 and “*Olam*” #H5769 are used. Therefore **we reject** the false idea that the flood of Noah in the Scriptures was a global event. For further study on this topic request our Doctrinal Book #13.

## THE DOCTRINE OF HYPER-COVENANT THEOLOGY

Hyper-Covenant Theology represents the core teachings of Apostolic Christian Identity. It is the *only* Systematic Theology that unifies all parts of the Holy Scriptures without conflict. We call the title layout of its concepts “The Articles”.

- The existence of Yahweh-Elohim and the inspiration and inerrancy of the Scriptures.
- The creation of the earth as a training ground for the predestined Elect Race.
- The Immutable Attributes of Yahweh-Elohim.
- The Absolute Sovereignty and Providence [*Teleology*] of Yahweh-Elohim.
- The Consubstantiality of Elohim in the subsistence of *Father, Son and Holy Spirit*.
- *The creation and providential fall of Adamic Man.*
- Double Predestination.
- The Two-Seedlines of *Genesis 3:15*.
- The unconditional Covenants with *genetic/Racial Israel*.
- The true Identity of modern day Israelites.
- Particular Redemption & Particular Atonement.
- The bodily resurrection and ascension of Yahshua-Messiah.
- The personal return of Yahshua-Messiah.
- The resurrection, eternal life and service to Yahweh-Elohim; for the redeemed children of promise.  
[Elect Saints i.e. **Racial Israelites**]
- The augmentation of the Creation to a superior state of existence.
- The destruction of all products of **Adulteration**.

- Eternal punishment for satan and his worldly offspring (non-White races); as well as the rest of the fallen angels, the Beast & the false prophet.
- The completion of the Kingdom of Elohim.

This Systematic Theology is indisputable; but we do not teach it outside of our Assembly because we are Hyper-Calvinist in our approach to the human condition and require *proof* of a person's call from Yahweh-Elohim. Hyper-Covenant Theology is a **mystery** of the Kingdom and therefore is only for Yahweh-Elohim's Elect Race. *Matthew 13:10-15 & Mark 4:10-12*.

## YAHSHUA-MESSIAH

Although commonly referred to in the English as “Jesus Christ” this is a title not a proper name. “**Yahshua**” is the Hebrew **NAME** of **OUR** Messiah and it literally means “Yahweh's Salvation”. The purpose of Yahshua's Particular Redemption & Particular Atonement [*Supralapsarianism*] was:

- The purification by the blood covering sacrifice was necessary to make genetic/Racial Israel acceptable to a perfect being and pay the debt. We could not exist in Yahweh-Elohim's presence in our fallen condition.
- Yahshua died only for those predestined to salvation: *Matthew 15:24, Ephessians 1:1-13, Romans 9:1-5 & Acts 5:30-32*. But not only does He purchase salvation for His Race (*Acts 5:31*) but as risen and exalted He actually delivers them from the power of sin and by His Spirit applies to their hearts all the blessings of salvation.

**We Believe** that the Scriptures in general and the Gospels in particular are the Good News of the coming Kingdom of Elohim.

- In the teaching of Scripture Yahweh-Elohim calls Racial Israel to repentance and hardens “those who are without” urging them to perform their tasks.
- Through the teaching of the Scriptures the Elect (Racial Israel) are instructed unto good works and the Law and their Election is preserved.
- The fact that the wicked do not hear and heed the Scriptures and repent is not simply chance. Yahweh's providence is total and is manifested in the Scriptural teaching of **Double Predestination**. The Word reveals Himself as a savior of life unto those capable of being reborn from above as their manifest destiny. But He reveals Himself as death to those who are **Dead**. *Matthew 13:10-15; Mark 4:10-12 & Romans 9:16-23*.
- The Fruits of the teaching in US who are called by this means:
  - Through this efficacious calling in the teaching, we receive ears to hear, eyes to see and an illuminated mind to perceive and understand the things of the Spirit of Yahweh-Elohim.
  - By it we see Yahshua in all His fullness and the precious benefit of salvation, so that we long for Him and the possessions of His benefits.
  - By it we learn to know with Spiritual knowledge the will of Yahweh-Elohim concerning us and concerning our calling as the people of Yahweh in the midst of the world. The Scriptures are the vehicle by which Yahweh effects His promise to save every Israelite (*Dueteronomy 30:1-6; Romans 11:26-27*). Yahshua is the Word made flesh to deliver salvation to the Israelite Race in person (**Acts 5:30-31**) and fulfill the law of sin-sacrifice. Yahshua is an Israelite by human birth and a Subsistence in the Consubstantiality; therefore He fulfills the Law of Kinsman Redeemer.

- We are **NOT** to teach the “vessels of wrath” (non-Israelites) the secrets of the Kingdom of Yahweh-Elohim; “*Do not give what is set-apart to the dogs, nor throw your pearls before the pigs, lest they trample them under their feet, and turn and tear you in pieces*” (**Matthew 7:6**). Yahshua clearly taught that we must distinguish between those who are called and those who's destiny is of this world. **Matthew 13:10-15; Mark 4:10-12**. Yahshua also gave us the key to measuring that distinction: **Matthew 7:16-23, 10:5-8 & 14:24**.
